

DON'T TELL LIES

Don't lie to one another
Don't say what isn't true
You might not see the harm it does
But it's still wrong to do
Lies always lead to trouble
No matter what their size
So, big or small,
Avoid them all
Don't tell lies!

Don't lie to one another
Don't say what isn't true
You might not see the harm it does
But it's still wrong to do
Lies always lead to trouble
No matter what their size
So, big or small,
Avoid them all
Don't tell lies!

Don't lie to one another
Don't say what you don't mean
You'll end up looking foolish when
You finally come clean
Lies always lead to trouble
No matter what their size
So, big or small,
Avoid them all
Don't tell lies!

Yes, big or small,
Avoid them all
Don't tell lies!

Don't lie so you'll seem cooler
Don't lie so you'll fit in
Don't blame someone for what you've
done
Or cheat so you can win

Dishonesty will hurt you
That should be no surprise
So take God's way
With all you say
Don't tell lies!

DO ALL TO THE GLORY OF GOD

You need the right attitude
If you want to do things right
There's no need to be rude
There's no need to start a fight

Give it all up
Give it to God

You might not be in the mood
To give everything you've got
But with true gratitude
You should give it your best shot

Give it all up
Give it to God

So check your heart
Before you start

Every action, every word
Raise up in Jesus' name
In your work and in your play
The goal should be the same:
Whatever you do, do all to the glory of
God

Whatever you do, do all to the glory of
God

You need to show some respect
If you want God to look good
Act the way that's correct
Act the way you know you should

Give it all up
Give it to God

So check your heart
Before you start

Every action, every word
Raise up in Jesus' name
In your work and in your play
The goal should be the same:
Whatever you do, do all to the glory of
God
Whatever you do, do all to the glory of
God

Whatever you do, do all to the glory of
God

LET YOUR LIGHT SHINE

Jesus died for me
Jesus died for you
So let's live a life that shows
That we believe it's true

'Cause no one will know it
If we will not show it
And what good is believing
If it can't be seen in all that you do?

Let your light shine before men
That they may see your good works
And glorify your Father

Let your light shine before men
That they may see your good works
And glorify your Father
Who is in Heaven

Everyone needs God
That's a simple fact
So let's show the world God's love
With lives that won't distract

'Cause no one will see it
If we will not be it
And what good is believing
If it doesn't change the way that you act?

Let your light shine before men
That they may see your good works
And glorify your Father

Let your light shine before men
That they may see your good works
And glorify your Father
Who is in Heaven

Jesus said "He who believes in Me,
the works that I do
he will do also"

Let your light shine before men
That they may see your good works
And glorify your Father

Let your light shine before men
That they may see your good works
And glorify your Father
Who is in Heaven

NOAH, NOAH

Long ago God looked and saw the wickedness of men
Sin and evil everywhere, he thought "Let's try again"
So he chose a man named Noah and he said "Hey, listen, bud.
You'd better build an ark, 'cause there's gonna be a massive flood"

Noah, Noah
Whatcha gonna do?
God has a strange request
And He's calling you
If it's right, it doesn't matter if it's odd
Obey your leaders - Obey your God

Noah started building with the help of God's design
If he followed carefully, he knew he'd be just fine
So he gathered up some food and brought his children and his wife
With pairs of animals, representing every kind of life

Noah, Noah
Whatcha gonna do?
God has a strange request
And He's calling you
If it's right, it doesn't matter if it's odd
Obey your leaders - Obey your God

Water kept on rising 'til it reached the greatest heights
Showed no sign of letting up for forty days and nights
But the animals and Noah and his family were sound
And the world began anew when the ark came down on solid ground

Noah, Noah
Whatcha gonna do?
God has a strange request
And He's calling you
If it's right, it doesn't matter if it's odd
Obey your leaders - Obey your God

If it's right, it doesn't matter if it's odd
Obey your leaders - Obey your God
Obey your leaders - Obey your God
